## Description

Sale of plots in Urbanization La Cala de Javea, is an urbanization of luxury villas, all on plots of a minimum of 1,000 m2, located in the pine forest of the road that leads to the lighthouse of Cabo de la Nao (easternmost point of the peninsula). A project that reflects today's requirements for modern life including lighting, sewerage, underground electrification, water supply network, underground telephone network and central gas supply. There are a total of 149 plots of which approximately 50 remain for sale, starting at 175,000 euros free of construction. Consult us for More Information!
