## Description

Altea is one of the most picturesque towns in the province of Alicante and the village itself has white houses along its cobbled streets that look out over the Mediterranean Sea. The coves and beaches have crystal clear water and the magnificent Sierra de Bernia mountain range creates a stunning backdrop to the town.

This luxury new build villa is set over three floors with the garage and storage on the lower level, the salt water infinity pool and living spaces on the ground floor and the bedrooms upstairs, all with ensuite bathrooms and balconies with far reaching views to the sea. There are built in wardrobes and quality wooden cabinetry throughout the villa and all the bathrooms have luxury fittings with elegant touches and soft closing elements.

The ground floor open-plan living spaces are flooded with natural light provided by the floor to ceiling glass windows and doors
