Description

New villas for sale in Finestrat with excellent views.~Prices start at 585.000 Euros. Each property will have a private garden, swimming pool and off road parking. The new villas for sale in Finestrat are complete with hot and cold air conditioning and under floor heating. With easy distribution over one level and a sun terrace upstairs, these are fantastic properties.~Nestled between the mountains, stunning countryside and the incredible coastline, Finestrat has a lot to offer. Conveniently located within a short drive of Alicante international airport, the village Finestrat itself is a very pretty Spanish town.~Obviously, the main reason for being here is the incredible climate. Not too hot in summer and mild winters but if you explore a little further you discover that this is a very special coastline.
