Description

Villa For Sale in the area of Piver, Javea with Panoramic views This stunning villa in Piver is one of the more unique houses constructed in Javea. With itâ€™s well appointed rooms and 180 degree views of the town and coast this house is ready to move in and enjoy!On the main floor you have the ample living and dining room with glass doors opening out to the pool terrace and garden. There is a bedroom with en suite and the sizeable kitchen. Upstairs you have two more bedrooms both with en suites. The bedrooms also benefit from having built in wardrobes with plenty of space and the master bedroom enjoying a private terrace and connecting room which could be used as an office, walk-in wardrobe, etc.The private annex is equipped with a kitchen, two double bedrooms and shower room. The property also has a garage.
