Description

This brand-new passive villa in the residential area of Piver, J  vea, perfectly combines cutting-edge energy efficiency with elegant Mediterranean architecture. Designed for sustainable living, this modern home offers 3 bedrooms (potential 4), 3 bathrooms, and a guest toilet, all crafted with high-quality materials and thoughtful design.

Ground Floor

The entrance leads into a bright open-plan living area with a modern kitchen and central island, ideal for family life and entertaining. The home features underfloor heating throughout the ground floor for year-round comfort. From the hallway, you access a spacious bedroom with an en-suite bathroom and direct access to the terrace. Under the staircase, there's a technical cabinet with a boiler and a connection point for future solar equipment, underlining the villa's sustainable concept.

First Floor

The upper level includes a bedroom with en-suite bathroom and private balcony, as wel
