Description

This surprising single-family house is located in the lower part of Oliva Pueblo, near the town hall of Oliva and within walking distance of the Center and the Mercado, and only 2.5 km from the beach. The house dates back to 1905 and was completely renovated in 2025/2026 to meet the most comfortable living needs. Think of new electricity and water supplies, air conditioning, partly new window frames with insulated glass, two new bathrooms and an extra toilet downstairs. A completely new kitchen and stylishly renovated patio, balcony and roof terrace.

This house offers over 200 m2 of living space spread over three floors. On the ground floor is the entrance and a small room. The industrial doors give access to the living area on the ground floor and a staircase to the first floor. The living space on the ground floor extends more than 14 meters to the rear and is divided into three rooms that all overlook the patio. The first part has a small sitting area and space for a desk
