Description

Imagine waking up to open sea views and the iconic Peñón de Ifach, sun streaming into every room, south-facing all day long. Set on a generous 1,143 m² corner plot in the sought-after San Jaime area of Benissa just 400 m from Ifach Golf Club and minutes from Moraira this exclusive villa offers space, light, and privacy in one of the Costa Blanca's most established residential communities.

Built in the 1980s and beautifully maintained by its current owners, the property is ready to enjoy from day one, whether as a permanent home, holiday residence, or investment.

Spread over two floors plus a rooftop solarium:

The main floor is the heart of the home: entrance hall, bright living-dining room with a cosy fireplace, fully equipped separate kitchen, four bedrooms, and two bathrooms all flowing onto generous terraces (96.25 m²) that blur the line between indoors and out, framing sea views from nearly every angle. Total built area: 196.75 m² (168 m² usable)
