Description

Modern, minimalist detached villa located in the exclusive Costa Nova urbanization of JÃ¡vea, in a privileged natural setting just minutes from the iconic Cala Granadella. The property, completely finished and ready to move into, is delivered fully furnished and includes top-quality appliances, installed lighting, and high-end finishes.Built on a 1,170 mÂ² plot, the 200 mÂ² house features spacious open-plan areas that maximize natural light and create a connection with the outdoors. Its spectacular double-height living-dining room, with its large windows, provides a unique sense of spaciousness and comfort. The modern kitchen, fully equipped with high-end appliances, integrates seamlessly into the contemporary design of the home.It has four spacious bedrooms and three full bathrooms with premium finishes, as well as two generous terraces on the upper floor offering pleasant views of the Mediterranean landscape
