Description

Modern detached villa with heated pool in El Portitxol, J  vea

This elegant detached villa is located in the exclusive area of El Portitxol, in J  vea, on a large plot of more than 1,000 m  . With 222 m   built over two floors, the property offers three bedrooms, three bathrooms and a careful combination of indoor and outdoor spaces designed to enjoy the Mediterranean lifestyle.

Its design stands out for its spaciousness, brightness and the perfect connection between the interior of the house and its terraces, garden and pool. The large windows allow natural light to be the protagonist and create a pleasant continuity between the different areas of the house.

The northwest orientation provides excellent light during the afternoons and allows you to especially enjoy the sunsets from the different outdoor areas. The consolidated garden and the tranquillity of the surroundings also provide a pleasant feeling of privacy
