Description

Positioned on an elevated plot with uninterrupted views in every direction, this south-facing four-bedroom villa offers a rare combination of sweeping Mediterranean sea views and dramatic mountain scenery. From multiple levels of the home, the outlook continuously evolves throughout the day from sunrise over the coast to sunset behind the hills creating a truly dynamic living experience.

The main living level has been thoughtfully designed to maximise this unique dual aspect. Expansive windows and sliding doors flood the space with natural light from both sides, enhancing the bright and open-plan living and dining areas. These spaces flow seamlessly onto generous terraces, perfectly positioned to enjoy both the coastal panorama and the inland mountain landscape. A contemporary glass-fronted fireplace adds warmth while preserving the uninterrupted views. The rooftop terrace elevates the experience even further, offering breathtaking 360-degree vistas.
