Description

This opulent villa embodies beauty and comfort, offering breathtaking panoramic views.

Upon entering the double-height lobby, a spectacular living room is revealed with double panoramic windows framing 180° views of the sea, Cape San Antonio and Montgo Mountain. This space transforms at nightfall, offering a fascinating cityscape. The kitchen, equipped with top-of-the-line Miele appliances, connects seamlessly to the dining room and covered terrace.

The ground floor is completed by a double bedroom which includes an en-suite bathroom, a utility room and a guest toilet. Going upstairs, we discovered 4 additional master bedrooms, each with its own private bathroom and spectacular views. The garden, an oasis with mature landscapes and fruit trees, is home to a 5x10 m infinity pool with a saltwater system and a practical electric cover.

The luxurious home prioritises safety and comfort
