Description

Villa project located in one of the most spectacular natural places in the North of the Costa Blanca, close to the popular Cala la Granadella, awarded several years in a row, as one of the beaches most beautiful of all Spain. The villa is going to build 550 m² of housing on 1250 m² of land. Consists of 5 bedrooms and 6 bathrooms, infinity swimming pool of 11 x 3.5m with a chill area sunk out, floor heating, safety prismatic, partially equipped with surveillance video camera and a modern system of intelligent housing that integrates and connects various technical functions throughout the House for both ease of use as their supervision.

With the possibility of visiting some of our new works already completed in Javea so you can personally check the excellent performance of the finishes and high quality PORCELANOSA materials that we use.

You even have the option to meet and talk with the owners of homes that already failed to settle in their
